Cash In in ATM.

The Network allows Customers to initiate Transactions at Terminals through its Access Mechanisms.

The Network supports Staged Transactions and Direct Transactions and facilitates the initiation and completion of Staged Transactions and Direct Transactions through APIs. In a Staged Transaction, a Customer requests the Transaction through their Atrium Pay account and the Provider provides all the information to prepare the Transaction before the Customer initiates the Transaction on the Terminal. After the Transaction is initiated by the Customer in the Terminal, the Provider validates the information provided by the Customer with the information provided by Atrium Pay and approves or declines the Transaction based on this information. If validated by the Provider, the Terminal will distribute funds to the Customer or accept funds from the Customer into a Cash In Account based on the information provided by the Provider. In a Direct Transaction, a Customer requests the Transaction through an Access Mechanism. After the Customer initiates the

transaction in the Terminal, the Provider authorizes or rejects the Transaction and sends its response. If authorized by the Provider, the Terminal will distribute funds to the Customer or accept funds from the Customer into a Cash In Account based on information provided by the Provider.

Upon a Customer's request for a Transaction through the Atrium Pay APP, the Provider will initiate generation of an Authorization Code, and the Provider will provide such generated Authorization Code to the Customer through the Atrium Pay APP.

Upon a Customer's request to initiate an Internship Transaction through the Atrium Pay APP, the Provider must approve or deny the Customer's request. If the Provider approves the Customer's request to initiate a Staged Transaction, the Provider must provide an Authorization Code to the Customer and send the Transaction details to Atrium Pay via its API.

Upon receipt of the details of a Cash In Transaction, Atrium Pay will verify that the transaction details provided by the Customer meet the Provider's requirements. To initiate a Cash In Transaction at a Terminal, the Customer must provide an Authorization Code and confirm the Transaction value displayed on the Terminal screen. Once confirmed by the Customer, the Provider will validate the Authorization Code and amount against the transaction details provided by Atrium Pay. After validation of the Authorization Code, the Provider's Customer is obliged to insert the correct amount of money into the Terminal, and the money inserted into the Terminal by the Customer will automatically and irrevocably become the exclusive property of Atrium Pay. The customer should not enter any amount other than the one informed at the time of requesting the transaction.

The Provider will then verify the funds, with the value informed by the customer. Once verified, Atrium Pay will credit the funds to the Atrium Pay digital wallet as indicated by your Customer in the mobile transaction details.

In the event of any dispute regarding the interpretation of any provision of these Operating Rules, including whether such provision applies to a Participant, the ATM Provider shall have the exclusive right and authority to resolve the interpretation of such provision in its sole discretion. The Provider, at its sole discretion, may modify, supplement, or replace these Operating Rules from time to time. Except as otherwise specified by Provider, any modifications, supplements, or replacements to these Operating Rules will be effective thirty (30) days after adoption by Provider. Each Participant acknowledges and agrees that modifications, supplements or replacements of these Operating Rules may become effective less than thirty (30) days after the adoption of the same by the Provider (including immediately after the adoption of the same by the Provider), without prior notice, if the Provider reasonably determines that circumstances exist that require changes to these Operating Rules to take effect less than thirty (30) days after adoption by Provider. In such event, such changes will take effect, without prior notice, immediately, unless otherwise specified by Provider.

Cash Out in ATM:

Upon receipt of the details of a Withdrawal Stage Transaction from the Customer, the Provider will verify that the transaction details provided by the Customer meet the Provider's requirements and that the Customer has sufficient funds in their Atrium Pay Digital Wallet. Upon verification of the above by the Provider, Atrium Pay will prepare the Staged Transaction in the Provider's transaction vault until completion of the Staged Transaction by the Customer, whichever comes first, until the expiration of the Staged Transaction based on the transaction details provided to the Provider by Atrium Pay, or cancellation of the Internship Transaction by Atrium Pay.

To initiate a Phased Withdrawal Transaction at a Terminal, the Customer must provide an Authorization Code and confirm the value of the Phased Transaction displayed on the Terminal screen. Once confirmed by the Customer, the Provider will validate the Authorization Code and amount against the transaction details provided by Atrium Pay. If the information provided by the Customer matches the transaction details provided by Atrium Pay, the Internship Transaction will be completed, and the Terminal will distribute funds to the Customer. Thereafter, the Provider will notify Atrium Pay that the Internship Transaction has been completed.

Transaction Limits in ATM.

The Provider may establish a per-transaction limit for each Transaction performed by a Customer and an overall daily limit for the amount and number of all Transactions performed by a Customer. Each withdrawal transaction will be in increments of \$20 unless otherwise approved by the Provider. If a Provider establishes a per-transaction limit on Transactions for a Customer or an overall daily limit on the quantity and number of Transactions for a Customer, the Provider will not establish or enforce such limit in a manner that discriminates against the Network versus any other network that offers the same or similar products or services to the Network.

Fees:

Network participation fees will be determined by Provider from time to time in its sole discretion.

Atrium Pay will also determine from time to time, at its sole discretion, the fees charged to its customers, as described in the terms and conditions in the Atrium Pay app.

Cash In in Physical Store.

To be able to make cash deposits in physical stores, using Atrium Pay and its providers, you must first open an account in the Atrium Pay digital wallet, registering your data in the Atrium Pay APP. As part of the registration process, you will need to complete the account application, submit the requested documents, and accept the terms and conditions, and you must have the legal capacity to accept them.

You must be at least eighteen (18) years of age, have a valid government-issued photo identification, and reside in a country that is not on the sanctions lists.

You may use the Service to make a payment or to add value to your Account by going to a participating retailer providing the Barcode to the cashier and tendering the amount of

your Transaction and the applicable convenience fee, if any. If the Barcode has an expiration date, it expires on the date and time set forth with the Barcode. If you wish to make a payment after the Barcode has expired, you will need to obtain a new Barcode.

A list of participating retailer locations will be provided by the Participant. A convenience fee established by us may be charged by the participating retailer at the time of the Transaction. If you do not accept the convenience fee (if applicable), do not proceed with the Transaction.

Your ability to use the Service to make a payment or to add funds to your Account, and the permitted amount of any Transaction or the frequency of Transactions, remains subject to authorization by the Participant and any applicable terms and conditions established by the Participant. Funds remitted through your use of the Service will be made available or credited, as applicable, by the Participant in accordance with the terms and conditions established by the Participant. Please contact the Participant directly for further information. We are not responsible for any delay with respect to when funds remitted to the Participant will be made available or credited to you, or any failure of the Participant to accept or properly process any funds remitted to it.

We may revoke, suspend, or otherwise deny your ability to use the Service at any time without cause or notice, including by declining an authorization for any illegal transaction or other actions that put the Service at material risk, or by limiting the number, type, frequency, or amount of Transactions that may be made by you. Use of the Service is subject to applicable law and all applicable rules of any clearinghouse or payment network involved in processing your Transaction.

The Barcode has no value associated with it and may only be used to identify your Transaction. You are responsible for all Transactions initiated using the Service. Refunds may be given or denied in the Participant's sole discretion and to the extent permitted by law.

By accepting the Barcode or using the Service to complete a Transaction, you agree that you may receive your Transaction receipt electronically.

*** THE FOLLOWING IS A MANDATORY ARBITRATION PROVISION ***

Mandatory Arbitration.

Any issue, question, dispute, claim or controversy arising out of or relating to these Terms & Conditions or any provision thereof, or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of this agreement to arbitrate, shall be determined by arbitration in Miami, Florida, before a single arbitrator (the "Arbitrator"). The arbitration shall be administered by JAMS

pursuant to its comprehensive arbitration rules and procedures and in accordance with the expedited procedures in those rules. Judgment on the award may be entered in any court having jurisdiction. This dispute resolution provision shall include urgent or emergency arbitration relief and not preclude any party from seeking provisional remedies in aid of such urgent or emergency arbitration relief from an arbitrator in accordance herewith.

Effects of Mandatory Arbitration.

You understands, acknowledge, and agree that by agreeing to arbitrate in the manner required under these Terms & Conditions you are waiving any right to bring before a court (for other than injunctive relief as provided below), any claim that such party may have arising out of, or for any violation of, any federal, state, local, or other law, regulation, or ordinance, or any other rights protected or arising under any law, rule, or regulation. Nevertheless, the parties agree to waive all such rights they may have and agree to submit all disputes to binding arbitration in accordance with the terms of these Terms & Conditions.

Authority and Decision.

The Arbitrator shall have the authority to award the same damages and other relief that a court could award including, but not limited to, attorney's fees and costs. The Arbitrator shall issue a reasoned award explaining the decision and any damages awarded. The Arbitrator's decision will be final and binding upon the parties. The parties will abide by, and fully perform, any award rendered by the Arbitrator. In rendering the award, the Arbitrator shall state the reasons therefore, including (without limitation) any computations of actual damages or offsets, if applicable.

Fees and Costs.

In the event of arbitration under these Terms & Conditions, the fees charged by JAMS or other arbitration administrator and the Arbitrator shall be borne by the parties as determined by the Arbitrator, except for any initial registration fee, which the parties shall bear equally. Otherwise, the parties shall each bear their own costs, expenses and attorneys' fees incurred in arbitration, except as otherwise decided by the Arbitrator.

Confidentiality.

The arbitration proceedings including all filings, discovery, and communications related to such proceedings and any result(s) of arbitration (including any arbitration award) shall be maintained as Confidential Information by the parties, except as is otherwise required by court order or as is necessary to confirm, vacate, or enforce the award and for disclosure in confidence to the parties' respective attorneys, tax advisors, and senior management and other parties with a strict need to know.

Enforcement; Jurisdiction; Service of Process.

To the extent court action is required to enforce any arbitration decision hereunder or the waiver of class action, such action shall be brought in the state and federal courts located in and for Miami-Dade County, Florida, and each of the parties consents to the jurisdiction of such courts (and of the appropriate appellate courts) in any such action or proceeding

and waives any objection to venue laid therein. Process in any action or proceeding referred to in the preceding sentence may be served on any party anywhere in the world.

Limitation of Time to File Claims.

ANY CAUSE OF ACTION OR CLAIM YOU MAY HAVE ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE APPLICATION MUST BE COMMENCED WITHIN ONE (1) YEAR AFTER THE CAUSE OF ACTION ACCRUES OTHERWISE SUCH CAUSE OF ACTION OR CLAIM IS PERMANENTLY BARRED.

Entire Agreement.

These Terms & Conditions, and the terms and conditions of affiliates, agents, service providers, and third parties explicitly referenced or referred to herein, and our Privacy Policy constitute the entire agreement between you and Company with respect to the Application and supersede all prior or contemporaneous understandings and agreements, whether written or oral, with respect to the Application.

Waiver.

No failure to exercise, and no delay in exercising, on the part of either party, any right or any power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or power hereunder preclude further exercise of that or any other right hereunder. In the event of a conflict between this Agreement and any applicable purchase or other terms, the terms of this Agreement shall govern.
